Breeze Adds One-Stop Service from Islip to Jacksonville and Tampa

Islip, NY (December 7, 2022) – [Breeze Airways](#), the Seriously Nice™ low-fare airline founded by aviation entrepreneur David Neeleman, today announced two new Florida destinations from Long Island MacArthur Airport.

New Routes from Islip/Long Island, NY, to:

- Jacksonville, FL (BreezeThru service on Fri, Sat and Mon, starting May 19); and
- Tampa, FL** (BreezeThru service on Fri and Mon, starting August 18).

Breeze currently offers nonstop flights from Islip to both Charleston, SC, and Norfolk, VA, as well as BreezeThru service to New Orleans, LA. The Jacksonville route will stop briefly in Norfolk (for 30 minutes) en route to Florida while the Tampa service will make a similarly quick stop in Charleston on the way. The Tampa route will be operated with Airbus A220 aircraft with First Class seating available, a first for Breeze at Long Island MacArthur.

“These two new routes bring the total Breeze Airways offerings to five exciting destinations to and from Long Island MacArthur Airport, and we couldn’t be more thrilled to share in this announcement. We value our airline partners, and look forward to adding even more destinations in the future,” said Islip Town Supervisor, Angie Carpenter.

“We’re delighted to see Breeze make additional options available to our customers at Long Island MacArthur Airport. These new destinations offer fun and easy getaways for Long Islanders. They also make it convenient for travelers from all five Breeze destinations to visit the many attractions located here on Long Island,” said MacArthur Airport Commissioner Shelley LaRose-Arken.

“We’re excited to add new options from Islip for our Long Island Guests,” said Tom Doxey, Breeze Airways’ President, “with a combination of nonstop flights and one-stop/no plane change BreezeThru service, adding fast and convenient routes to underserved destinations.”

Breeze took flight in May 2021 and has quickly expanded across the U.S. connecting underserved city pairs with fast, efficient flights. The airline’s business model centers around offering affordable fares with plenty of perks including no change and cancellation fees up to 15 minutes prior to departure, free family seating and enhanced seating options including Extra Legroom and First Class seats**. Guests can choose from a la carte or bundled options to create a travel experience that meets their needs.

** Routes operated with Airbus A220 aircraft with First Class seating available

About Breeze Airways

Breeze Airways began service in May 2021 from 16 destinations primarily in the east and southeast of the United States. One year later, it was ranked as the No. 2 U.S. best domestic airline of 2021 by *Travel + Leisure World's Best Awards*. In 2022, Breeze expanded west across the U.S., including coast-to-coast flights, and now offers 119 nonstop routes between 35 cities in 20 states. Founded by aviation entrepreneur David Neeleman, Breeze operates a fleet of Embraer 190/195 and Airbus A220-300 aircraft, with a focus on providing efficient and affordable flights between secondary airports, bypassing hubs for shorter travel times. With seamless booking, no change or cancellation fees, up to 24-months of reusable flight credit and customized flight features – including complimentary family seating - delivered via a sleek and simple app, Breeze makes it easy to buy and easy to fly. Flights are on sale at flybreeze.com and via the Breeze app.

About Long Island MacArthur Airport

MacArthur Airport is on Long Island, approximately 50 miles from New York City. It is the closest airport to 2.8 million Long Island residents, and to world-renowned attractions including the famous Hamptons, Wine Country, lighthouses, Fire Island, excellent theatre, award-winning restaurants, and Gatsby-era mansions. The Town of Islip owns and operates Long Island MacArthur Airport. Access to the Long Island Rail Road (LIRR) makes getting around Nassau and Suffolk counties convenient. Train service from the Ronkonkoma / MacArthur Airport LIRR to New York City provides frequent transport. Long Island MacArthur Airport employs 6000 people directly and indirectly, with a \$16M annual operating budget and an economic impact of \$600M to the region and local economy.
